

Plumbing Maintenance Cover plan – Terms and conditions

Your service includes:

- No limit to the number of call outs.
- Call out usually within 3 hours.
- Access to our 24 hour 365 day telephone number.

Period of agreement

Your agreement runs for 12 months from the date it begins (or is renewed), unless you or we use the cancellation rights (set out in the clause headed Cancellation)

Start date

Your agreement begins 14 days after we process your application.

Renewal

If you pay each year - by cash, cheque, credit or debit card we will contact you before the 12-month prepaid period ends, with details of any changes to the price and terms and conditions, and offer you the chance to confirm your renewal. (If you pay by monthly direct debit, your agreement runs until you tell us that you would like to cancel, or if we cancel the agreement (see 'Cancellation'). You may cancel the agreement at any time after the initial 12 month period. We will write to you to tell you about any changes to the terms and conditions or prices.)

Cancellation

We will cancel your agreement if:

- you have given false information
- you do not make an agreed payment
- circumstances arise which make it inappropriate for the contract to continue.

If we cancel your agreement, we will:

- give you a refund based on how long is left of any 12-month cash, cheque, credit or debit card payment.

If you cancel your agreement with us, we will not normally give a refund.

However, you are entitled to a full refund if you cancel within seven working days of taking out the agreement, as long as we have not done any work.

If you cancel your agreement after we have done work, we may charge you an amount that brings your total payments up to the total annual cost.

Labour

One of our engineers will usually carry out the work. In some cases we may authorise a suitably qualified contractor to carry out the work.
